REPORT OF THE
COUNTY COMMISSIONERS.

The County Commissioners of Bristol County herewith submit the following as their annual report upon the affairs of the County of Bristol for the year 1908, in accordance with the provisions of Chapter 21, Section 25 of the Revised Laws.

FINANCIAL CONDITION.

The permanent debt of the County at the beginning of the year was eight hundred and ninety thousand dollars ($890,000.00); of this indebtedness there was paid during the year the sum of sixty thousand dollars ($60,000.00), viz: on account of the New Bedford and Fairhaven Bridge; the permanent debt of the County at the present time, to wit: January 1st 1909, is one million two hundred and ten thousand dollars ($1,210,000.00).

The present debt, namely, one million two hundred and ten thousand dollars is made up as follows:

County notes on account of New Registry Building at Taunton,	$30,000.00
County notes on account of Fall River and Somerset Bridge,	860,000.00
County notes on account of New Bedford and Fairhaven Bridge,	140,000.00
County notes on account of Fall River District Court House,	40,000.00
County notes on account of Registry Building at New Bedford,	140,000.00
	$1,210,000.00

During the past year the sum of three hundred and eight thousand dollars was raised by direct taxation.

For the ensuing year it is estimated that it will be necessary to raise by taxation the sum of three hundred and fifteen thousand dollars ($315,000.00), being seven

thousand dollars more than the amount raised during the past year; this increase is due mainly to the fact that a larger amount will be required for interest than during the previous year, owing to the increased debt occasioned by the building of the Fall River and Somerset Bridge, the New Bedford Registry Building and the Fall River District Court House.

The estimates for the past year in six departments proved to be insufficient, viz; for salaries and expenses, district and police courts; for salaries of jailers, masters and assistants, and support of prisoners in jails and houses of correction; for criminal costs in Superior Court; for transportation of county commissioners; for medical examiners, inquests and care of the insane; and for the Truant School at Walpole.

A brief summary of the receipts and expenditures for the County during the year is as follows:

RECEIPTS.

Balance on hand Jan. 1, 1908,	$224,783.42
Amount raised by taxation,	308,000.00
Amount received from sales of merchandise, fines, fees, interest and dog fund, etc.,	85,848.00
Amount received from temporary loans,	220,000.00
Amount received from loans, premiums, interest, etc., on account of Fall River and Somerset Bridge,	205,109.39
Amount received from loans on account of New Bedford Registry,	140,000.00
Amount received from loans on account of District Court at Fall River,	40,000.00
	$1,223,740.81

EXPENDITURES.

Total expenditures for the year,	$1,102,908.79
	$120,832.02

For the coming year it has been estimated that it will be necessary to appropriate for the payment of interest the sum of sixty-eight thousand dollars ($68,000.00).

For specific details as to the receipts and expenditures of last year we beg leave to refer to the report of the County Treasurer.

HIGHWAYS.

No new highways have been laid out by the County during the past year, and no sums have been paid to the County as betterments.

STATE HIGHWAYS.

During the year there has been paid to the State the sum of eight thousand nine hundred and forty-six dollars and forty-six cents ($8,946.46) on account of State Highways.

The Commissioners have presented no petition for State Highways to the State Highway Commissioners during the year but they deem that it will be of great convenience to the public if a highway is laid out from Riverside Avenue to Brayton Avenue, beginning at the westerly end of the Fall River and Somerset Bridge and continuing in a north-westerly direction to said Brayton Avenue, thus making a direct communication from the Bridge to the road leading to Swansea and Providence, and they propose to petition that the same be laid out and constructed as a State Highway.

The accompanying tables which have been received from the State Highway Commissioners give in detail the number of miles built, together with the cost of constructing and maintaining the same in the several cities and towns of the County.

Totals,	$11,176.00		$11,176.00

BRIDGES.

The Joint Board under whose direction the Fall River and Somerset Bridge was built, has finished its labors, and on October 2, 1908, the Bridge was turned over to the County Commissioners under the provisions of the Act which authorized the construction of the same.

As soon as the amount of damages occasioned by the building of the Bridge has been settled, proper steps will then be taken by the Commissioners under the Statute to have the cost of the construction of the bridge and the maintenance thereof determined.

REPAIRS AND ADDITIONS TO COUNTY BUILDINGS.

The removal of the Law Library at Taunton to room recently used by the Probate Court which was suggested in last year's report has been accomplished and the metal bookcases that were required have been added, and the library now has ample accommodations for a good many years.

No repairs other than the ordinary ones have been necessitated during the past year in either of the Court Houses or Jail at Taunton.

At the Taunton Jail the floor in the main building which was laid many years ago is in very bad condition and probably a granolithic floor will be laid in the building during this year.

In the room occupied by the Probation Officer in the Taunton Court House the Commissioner of Public Records has directed that a safe or vault be placed for the safe guarding of his papers.

The Commissioner of Public Records also recommended that the floor of the Court House in Taunton where the records of the Clerk of Courts are kept be changed so as to render it more fire-proof.

In the Registry of Deeds Building at Taunton one of the walls is very badly cracked, a condition brought about through expansion and contraction caused by the inclemencies of the weather, affecting the material used in its construction, and something will probably have to be done in regard to this during the year.

As stated in last year's report an appropriation was asked by the citizens of New Bedford for a new Registry of Deeds Building, as the County had outgrown its present quarters at the Court House, and an appropriation of $200,000.00 was granted by the Legislature; the land has been purchased, and contracts awarded as follows:

To Charles B. Maguire Company of Providence, R. I., for erecting building for $89,518.00.

To John F. Johnston Company of Fall River, Mass., for heating and ventilating for $5,343.00.

The building, owing to the excellent opportunities for work in the open which the exceptionally mild winter has afforded has been rapidly pushed forward, the roof is now being put on, and by the early fall it is anticipated that the Registry Building will be in condition to be occupied.

At the House of Correction in New Bedford necessary repairs have been made during the year, the new copper roof for the workshop which had not been entirely constructed at the end of last year was completed, and the Keeper's House which was in poor condition especially in regard to its ceilings has been repaired; it is estimated that there will be more or less work to be done on the walls and grounds this year.

At the Fall River Court House some new furniture was provided for the Law Library and the Auditor's Room, and some Art Metal furniture in the office of Register of Deeds and Law Library.

The Commissioner of Public Records has recommended that the floors be made fire-proof at the Fall

River Court House as per revised Laws, Chapter 35, which says that no public records of any description shall be kept in a room that is not entirely fire-proof.

At the Fall River Jail, repairs were made on the inside and outside walls, necessitated by leaks, the Keeper's House was closed, and the watchmen are now in the main building.

The building now occupied by the District Court in Fall River is leased from the City at a rental of $1200.00 per year and there are no accommodations for a Juvenile Court which the Statute says shall be separate from the other Courts, and an appropriation was granted by the Legislature last year of $100,000.00 to construct a new District Court building; the land has been bought, contracts awarded as follows:

To Beattie & Wilcox of Fall River, Mass., for construction of District Court House for $64,000.00.

To William Kennedy of Fall River, Mass., for plumbing for $4,153.00.

To John F. Johnston Company of Fall River, Mass., for heating and ventilating for $3,534.00.

The work on this building is now being pushed as rapidly as possible.

As stated in last year's report a petition was presented by citizens in Attleborough to provide better accommodations for the Fourth District Court in Attleborough and an appropriation granted of thirty thousand dollars ($30,000.00) but after investigation it was deemed that the amount was inadequate to purchase the land and erect a building, so the Commissioners decided not to build until they had a sufficient amount to construct such a building as Attleborough needed; now a bill has been brought by the citizens of Attleborough asking for an increased appropriation of forty-five thousand dollars ($45,000.00) over the amount asked for last year, which the Commissioners consider amply sufficient to

purchase the land and construct a building in accordance with the requirements of the town.

PETITIONS ENTERED DURING THE YEAR.

During the year the following petitions were entered: George B. Cudworth et ali., Selectmen of Freetown, Petrs. vs. New York, New Haven & Hartford Railroad Co. A hearing was had upon this petition Sept. 1, 1908, and a continuance made at that time.

Petition of Bishop Daniel F. Feehan, for abatement of tax on church property in North Attleborough. Heard and ordered that tax be abated $23.00.

Garfield & Proctor Coal Co., Petr. for leave to build private Railroad across highways in New Bedford. A hearing upon same ordered to be held on Jan. 25, 1909 at the Court House in New Bedford.

The following petitions have been entered in the Superior Court for land damages against the County on account of the Fall River and Somerset Bridge.

Maxime Pelissier, Petr. vs.	County of Bristol entered	Feb. 5, 1908.
George A. Simcock " "	" " " "	April 16, 1908.
William W. Slade et al., Petrs. vs.	" " " "	Sept. 22 1908.
Annie Gunn, Petr. vs.	" " " "	Dec. 10, 1908.

The following is an inventory of property of the County of Bristol at the present time.

County Court House, land and furnishings, Taunton,	$385,000.00
Registry of Deeds Building, land and furnishings,	100,000.00
Jail, land and furnishings, Taunton,	175,000.00
Court House, land and furnishings, New Bedford,	100,000.00
